Sir:

LETTER OF VERIFIED SHOWINGS

Pursuant to the requirements of the Petition for Revival of an Application for Patent Abandoned Unavoidably Under 37 CFR 1.137(a), Applicants herein provide the herein verified showings from the relevant party as to the causes of the unavoidable delays.

The herein attached Notification of Missing Requirements under 35 USC 371 was mailed to Applicants correspondence address dated 04/10/2002 and stamped "RECEIVED April 15 2002 J&J PAT.DKT. SECTION", and the Attorney Docket number CDS-219 was written in the upper right hand corner of the document, and the document placed in the file. The due date of June 10, 2002, however, was never entered into the Johnson & Johnson computer docketing system, and the document never sent with the file, as would be standard procedure on receipt of a paper from the Patent Office, to the attorney assigned to the case, in this case, the undersigned. It was not until December 2, 2002, when the undersigned was answering an Office Action in the corresponding Canadian case, which required a copy of the Assignment filed in the U.S., that the Notification was brought to the attention of the undersigned by her Assistant for

the first time. On that date, the undersigned contacted the named officer on the file, John Anderson, who confirmed that the application would have gone abandoned effective 11/02/2002.

The undersigned and her Assistant contacted the Johnson & Johnson file room and in particular the person responsible for docketing such actions, who confirmed that although the document was stamped received it was never entered into the docketing system. No parties involved had any specific recollection as to this docketing oversight and all involved sincerely intend to avoid such oversight in future.

It is respectfully submitted that the hereinabove provides sufficient showing as to the nature of the oversight and it is respectfully requested that the herein Petition to Revive be accepted.

The Assistant Commissioner is hereby authorized to charge any fees that are due in this matter to Deposit Account No. 10-0750/CDS-219/CKG.

Respectfully submitted,

Catherine Kurtz Gowen
